

# PolyVision Collaborative ToolBar

**Collaborative ToolBar**

is an elegant design element that enhances the functionality of any markerboard.

With a unique docking station, it offers a thoughtful home for a magnetic eraser and markers or chalk, ensuring tools stay organized and secure. The ToolBar is intuitive to use, easy to clean, and provides users with the freedom to orient the kit anywhere on the board. With a design that feels good to the touch, it blends functionality with a premium aesthetic.

**Kits** are available for different writing board finishes.

Markers are included with the standard and neon kits. Chalk sticks are included with the chalkboard kits. All kits include a round magnetic eraser and two replacement microfiber cloths.

**Chalk sticks** come with brand chalk stick holders.

**ToolBar and eraser** come standard in a black satin finish.
