

Frost-Barber

Date : 05/08/2019

Frost-Barber, a Steelcase dealer in Louisiana, installed [Motif magnetic whiteboard panels](#) with four small square panels in neutral and saffron pattern, and two large square panels in Arctic White and Merle. A representative for Frost-Barber said “We love the variety of sizes and finishes, and the ability to customize [Motif]. It’s great for organizing information for presentations. This once under-utilized area has become a favorite meeting spot.”
